**Rajasthan Pest Control Service P. Ltd.**

Commercial and Industrial Pesticides need under one roof  
India's Leading company...

### Experts in Hospitality Pest Management

As leading experts in pest management services, we are a team of qualified professionals, having expertise to deal with every possible pest problem.

My special blessings to all the technician and technical team who is taking care of this project very smoothly, It is our hope that this organization will contribute more to promote the level of pest management service, in future with us.

### Termite

Termites or White ants as they are social insects. termites live underground in a colony comprising of Queen, King, Workers and Soldiers. A single Colony may comprise of millions of termites.

### Method

Termin-8 treatment comprise drilling holes in the junction of floor and wall, soaking them with the termiticide and sealing them. This makes a completely Termite barrier.

### Rodent

Rats Destroy an estimated 20% of the world's food supply every year directly by feeding and indirectly by contamination

### Method

With a 3 step procedure to out the Rodents, 1. Baiting , Trapping & Proofing.

### Intelligel<sup>+</sup>

Intelligel+ Service provides total and effective control of cockroaches and other common household pests such as red and black ants / silverfish /spiders etc.

### Method

Perfect combat for all household crawling insects. 1. No need to vacate home 2. No smell, no chaos 3. Long lasting effect. 4. Safe for your family.

### WBMS & Bedbug

There could be someone at play in your pricey furniture! while adults bore the holes, it is the larvae that can cause the damage. An adult female bedbug can lay more than 200 eggs during their lifetime.

### Method

That is injected in the tiny short holes through a syringe, followed by a petroleum spray that is sprayed post the injection. A unique service mechanism through inspection of infested areas.

### General Pest Control

Millions of pests live among us. Some harmful others harmless. General pest control services should be deployed without any delay to get rid of these nightmares leaving everything else unaffected

### Method

we are providing services in corporate & industries areas. Its method depends on company inspections.
